Dear [Redacted]

STAT

As your summer assignment with FBIS comes to an end, I want to express appreciation for the valuable contribution you have made. It is thanks to your fine work that Analysis Group office files were maintained and indexed in an organized manner and that Research Staff was able to maintain continuity during continued personnel shortages and their office move to Reston.

You have successfully completed your third year as an Agency summer employee, and I want to wish you the best of luck in the coming school year.

Sincerely,
